The Principal
Kendriya Vidyalaya
Under Gurgaon Region.

Subject: AISSCE (Class XII Examination) and AISSE (Class X)-2018.

Dear Principal,

After the successful conduct of selection test for Board class students, as we drew closer towards the Commencement of Pre-Board examination, before the process officially sets off and deadlines for each Board examination is rolled out, I would like to share some of my Concerns with regard to the subject cited above for strict Compliance.

- 1- Identify the low performing students in each subject and prepare action plan for their improvement.
- 2- Adopting spiral approach of teaching where teacher creates a space in his/her teaching plan for ensuring learning by all the students up to the expected level.
- 3- Ensuing rigorous practice of the model questions available on CBSE/ZIET websites, various Blogs maintained by KVS teachers etc to achieve desired standards of answering questions.
- 4- Regular remedial teaching in class X & XII for low achievers.
- 5- Regular parent – teacher interaction to foster moral support and confidence among students.
- 6- Focus on learning outcomes of students of all classes (Back to Basics).
- 7- Practice of Student Support Material in the class (More written practice).
- 8- Regular monitoring by the Principal/Vice-Principal and keeping a track of the individual performances of the students.

In brief, it is the high time to make all out efforts to ensure our students excel in the ensuing examinations which may include Constant monitoring, error analysis, dummy examinations, study camps, special programmes for low achievers, deputation of teachers wherever required so that targets set for the session 2017-18 are achieved by all the KVs of the Region.

I also appeal all the Principals to invariably keep themselves abreast with the various guidelines/circulars issued time to time by KVS (HQ) and also the informations posted on CBSE website including the CBSE Examination Bye-Laws and its extant amendments.

Yours faithfully,

26/12/17
